III. Omnipresence

Expanding Offline Distribution

Over the years, our brand, Dr Trust, has garnered substantial recognition and commendation across e-commerce platforms. By capitalizing on this positive momentum, we anticipate a notable upswing in our retail trade network.

We are in the process of redefining, our domestic, Go To Market Strategy and Distribution Build-up Approach. Besides building a more efficient network and process, this will allow us to benchmark and standardise the reporting of our Distribution network and infrastructure in line with how it is reported by peers and industry across healthcare and beyond.

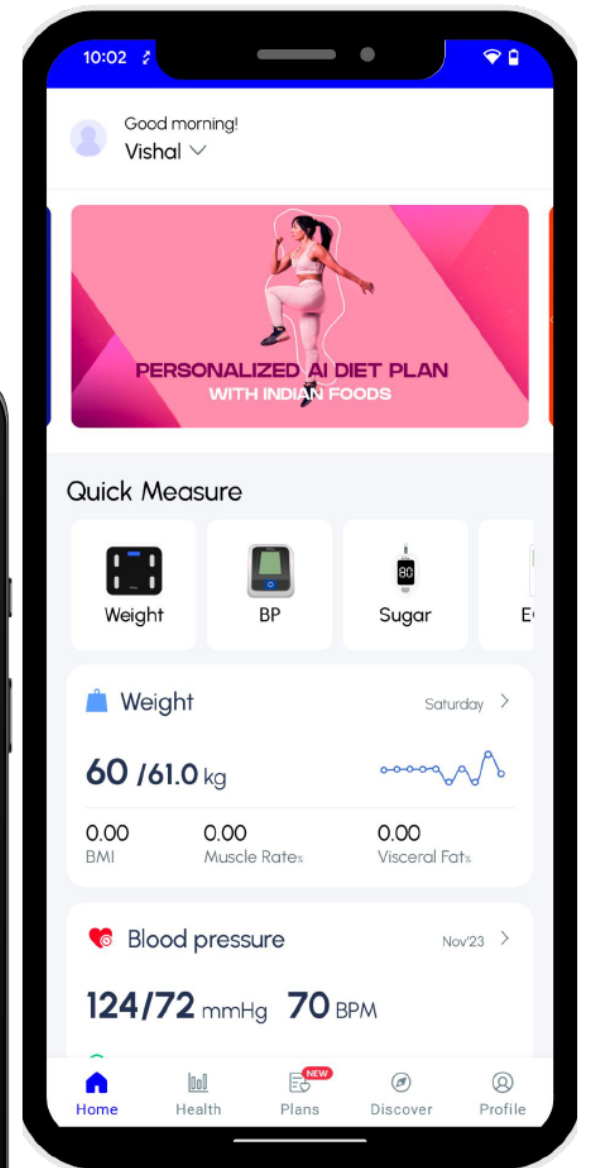

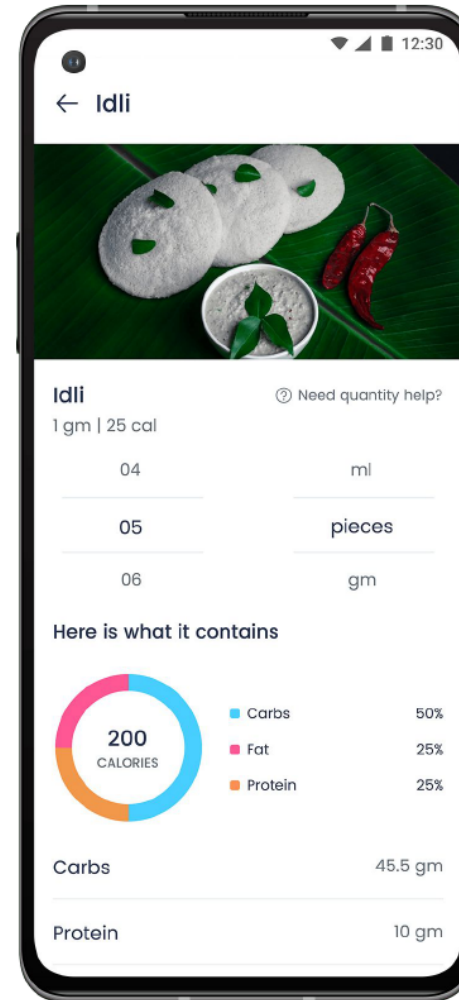

IV. Connected Health

Dr Trust 360 is not just an app, it's a comprehensive health management companion that empowers users to take control of their health through technology

By connecting trusted Dr Trust devices with intelligent software solutions, we are making healthcare more accessible, proactive, and personalised than ever before.

**1.78 Million
Users**

Our unified app is a **Freemium model**, where users are able to subscribe for Pro features like Advanced health reports, curated diet plans, calorie & water intake tracking, family & caregiver alerts on Whatsapp
